Part 6: Let Me Tell You About Jesus

Introduction

"I am an historian, I am not a believer, but I must confess as a historian that this penniless preacher from Nazareth is irrevocably the very center of history. Jesus Christ is easily the most dominant figure in all history." - H.G. Wells

Scripture References

- Colossians 1:16-17

Discussion Kick Off

1. Who are some of the people who have impacted your life?
2. Why do some people distance Jesus and the impact He has had on the world?

Evaluate It

1. Jesus started with a humble beginning. Why do you believe He came into the world the way He did?
2. Stuart mentioned Jesus' impact on the world (children, women, art, medicine, America, etc.). Of all the areas that trace back to Jesus, which do you think have become the most woven into the fabric and culture? Which of those do we take for granted?
3. When you consider the ways Jesus has changed the world over time, which sphere of life stands out as one that has especially benefitted you?
4. Stuart mentioned Jesus as the engine for our comeback. How does He help us in our comebacks?
5. Read Colossians 1:16-17. **What is the relationship to "all things?"** Why emphasize this?

Make It Personal

1. In what platforms in your life can you open the **world's** eyes to the impact Jesus has made?
2. How can you make an impact in those platforms?

Starting a Table or Life Group? Take a look at the helpful information below:

Who establishes and makes up a table group?

1. Husband & Wife
2. Family
3. 2-5 Guys
4. 2-5 Ladies
5. 2-5 Couples

Where do they meet?

1. Kitchen table
2. Coffee table
3. Cafe table
4. Restaurant table
5. Picnic table
6. Work table
7. Round table

- Meeting (how often, how long): Weekly or bi-weekly (day and time is decided by the group). No more than 2 hours.
- Who should lead a life or table group? Leadership can be shared, or the group may choose a leader.
- How long should the group stay together? The group should commit to stay together 6-8 weeks. Groups can renew their commitment to meet together at the end of that time, but initially groups should stay together 6-8 weeks.
- What happens if the group is too big to meet around a table? No table or life group should have more than 15 individuals. If a group grows to have more than 15 participants, there are two options:
 - Multiply into separate tables (groups of less than 15) or
 - Seek to establish a life group (10-20 participants)
